Members absent: P. Kochenburger
Alternates present: B. Pociask (appointed to act)
Staff present: G. Meitzler, (Wetlands Agent), G. Padick (Director of Planning)

Chairman Favretti called the meeting to order at 7:00 p.m.

Minutes:

2/5/07- Hall MOVED, Holt seconded, to approve the Minutes as written.
MOTION PASSED UNANIMOUSLY.

Communications:

The 2/26/07 Wetlands Agent's Monthly Business report was noted.

Old Business:

It was noted by the Chairman that the one pending application, W1370-Girard College Development Fund, located on Ellise Road, for a 1-lot subdivision, is tabled due to a Public Hearing scheduled for 3-19-07.

New Business:

W1371-Datum Engineering, 108 Candid Lane, house within 150'

Goodwin MOVED, Holt seconded, to receive the application submitted by Datum Engineering (IWA File W1371) under section 5 of the Wetlands and Watercourses Regulations of the Town of Mansfield, for the construction of a single family residence, on property owned by Dan Costello and James Leta, as shown on a map dated February 7, 2007, and as described in other application submissions, and to refer said application to the staff and Conservation Commission for review and comment. MOTION PASSED UNANIMOUSLY.

A field trip date was set for March 12, 2007 at 1:00p.m.

Reports of Officers and Committees:

None

Other Communications and Bills:

Chairman Favretti noted the communications, particularly the DEP notice for pesticide application to Mirror and Swan Lakes at UConn. He questioned that the DEP notice stated there was no overflow from Mirror Lake, when in fact Mirror Lake flows into Valentine Meadow, then into the Fenton River and ending in the Windham Reservoir in addition to the Public Drinking Water Source

Protection Area. Members asked Meitzler to convey the Commission's concerns to the DEP, and Commissioner Plante asked if it would be advisable to have the Town's water bodies tested.

Adjournment:

The meeting was adjourned at 7:13 p.m.

Respectfully submitted,

Katherine K. Holt, Secretary
